

Administrative Regulation 3311

QUALITY OF SUPPLIES, EQUIPMENT AND SERVICE

Responsible Office: Office of Business & Financial Services

REGULATION

1. It shall be the responsibility of the Superintendent, Chief Operations Officer, Chief Financial Officer and Purchasing Supervisor to establish standards of quality for supplies and equipment that will best support the instructional and auxiliary services of the Washoe County School District.
2. At all times, the best interests of the school district shall be served and the limitations of the annual budget shall be followed.

IMPLEMENTATION GUIDELINES & ASSOCIATED DOCUMENTS

1. This regulation reflects the goals of the District's Strategic Plan, Envision WCSD 2015 – Investing in Our Future.
2. This regulation aligns with Board Policy 3311, Quality of Supplies, Equipment and Service.
