## **PROCEDURE**

1. All kindergarten students must follow the District Attendance Policy.

All retentions are done at the discretion of the principal and teacher.
  - a. Students who transfer into a District school from an approved NDE kindergarten, out of state kindergarten, or public school not within the District must not be chronically absent for 10% or more of the number of days left in the school year or will also have to take the Brigance test to prove kindergarten readiness.
3. This Administrative Procedure is unique only to kindergarten and does not apply to any other grade levels.
