

Administrative Form 7627  
DIGITAL TOOLS UNIVERSAL CONSENT FORM

Student Name: \_\_\_\_\_

Dear Parent/Guardian:

To support and enhance your child’s learning and to protect the privacy of student data, Washoe County School District (“District” or “WCSD”) approves certain digital tools for use in schools. A list of approved tools is available at <https://approveddit.washoeschools.net/>. These tools and services help students develop technology and digital citizenship skills, along with 21<sup>st</sup> Century skills. They also help teachers foster student communication and collaborative activities that help prepare students for success in a 21<sup>st</sup> Century world. To enable students to use these digital tools and services, certain personal identifying information – such as the student’s name and WCSD email address – may be provided to the website operators. Under federal law (Children’s Online Privacy Protection Act “COPPA” and Family Educational Rights and Privacy Act “FERPA”), these websites must obtain verifiable parent/guardian consent before collecting personal information from children. The law permits school districts to obtain this consent, thereby eliminating the need for each website operator to request parent/guardian consent.

Some of these educational tools/services require additional parental consent to allow your child to use them. Please return this form to your child’s school to enable your child to use these tools. **Without receipt of this signed form, we cannot provide your student with access to these important educational resources.** If you are interested in the company and its privacy policy, please feel free to research the company at the website address included below.

Sincerely,

Principal: \_\_\_\_\_
