

## PIV Operator Certification Card

The following is a list of possible equipment to operate in the school district that would be written on the Hyster or other Certification Card:

Class 1 – Electric – C/B – Fork Only

Class 2 Narrow Aisle/Stand Up

Class 3 – All Electric Walkies

Genie Boom / High-Lift Scissors

The following is an example of a blank Operator's Identification Card:

### Certification Program:

- The Designated PIV Operator Trainers will conduct initial training for new fork truck operators and refresher programs for drivers who have previously obtained their PIV Operator Certification.
